Moving Checklist

2 Months Before:

Sort through your closets, drawers, and cupboards to clean out what you don't want or need. Hold a yard sale, or donate what you don't want to charity.

Take inventory of anything of value that you plan to move and determine the replacement cost for insurance purposes. (photos are a great way to document items)

Obtain estimates from several movers and choose one.

6 weeks Before:

Finalize your real estate or rental needs in your new location.

If moving out of town, make travel arrangements.

Notify your kid's schools of your move and new schools for enrollment information.

Get copies of school records and send them to the new schools.

Obtain copies of medical records for each family member.

Ask for recommendations for doctors in your new location.

*Contact David Call with Ryan Everet Insurance at 940-268-5112 or
www.ryaneveret.com to get your insurance set up for your next home.*

1 Month Before:

Alert utility companies to disconnect services a day or so after you move and to have services connected several days before moving to the new location.

If necessary, arrange for storage in the new location.

If you're packing your house yourself, get supplies and start packing boxes.

1 Week Before:

If you're packing up yourself, finish up!

Confirm travel arrangements if needed.

Arrange payment or deposit for movers.

Get some cash to have around to tip movers.

Print some directions to your new home for the moving company, confirm delivery date, and make sure the moving company knows your phone number and itinerary.

Complete change of address forms at the post office and send notices to creditors, friends, banks, and any other businesses you deal with regularly.

Notify your employer of your new contact information.

Pack suitcases you plan to live out of for the moving days.

Moving Day:

Go alongside the mover as they inventory your stuff and make condition reports.

Sign the bill of lading and inventory making sure the address is correct and keep copies in a safe place.

Lock windows, turn off lights, close doors, and make a final sweep to make sure nothing is left behind.

Enjoy your new home!
